

Industrial-Strength Cleaning Power

Ultimate Productivity

Advanced Sensing & Lighting Configuration

# SCRUBBER 75

**Robotic Floor Scrubber**  
for Large-Scale Commercial and Industrial Environments

*Leasing details available upon request.*

**Product Specification:**

Product size (mm)	1,370(L)*962(W)*1,417(H)mm
Max Cleaning Efficiency ( Theoretical) )	3000m <sup>2</sup> /h
Brush Pressure	45 kg
Clean Water Tank	75 L
Waste Water Tank	50 L
Max Cleaning Speed	1.1 m/s   2.5 mph
Min Pass Width	1,400mm
Min Passable Obstacle Height	10 mm
Min U-Turn Width	2000mm

Battery Type	Lithium Iron Phosphate
Battery Capacity	200 Ah
Rated Voltage	24 VDC
Max Output Power	2000 W
Charging Time	≈ 5h
Runtime	≈ 4-6 h
